Unfinished Business

2016/17 PTA budget vote

Ashley got in touch with MoneyMinder and they said the playground section on our budget was the way it is supposed to be, no changes needed.

Julie Sanders motioned to accept the budget as written for the 2016/17 school year. There was a second and a unanimous yes vote.

Fundraising

Jersey Mike's restaurant fundraiser was every Tuesday in May and we made \$433.79. We also made \$106 at Dickey's and \$46 at Café Rio. Total of \$585 for the year. We will continue the restaurant fundraisers next year but skip the month's that the school does McTeacher nights.

Volunteers

JC PTA is still looking for a VP of Membership for next year.

Julie passed out thank you gifts to all the chairpeople for this year and Lisa handed out pins to all who volunteered this year.

ROAR update- there were 147 kids at the ROAR party. Next years theme is Road Trip Across America. If anyone is going on vacation out of state please bring back a small souvenir or postcard to be given away in ROAR prize drawings.

Scholastic Book Fair update- We had a 3<sup>rd</sup> bookfair the first week of June that was buy one get one free. We sold \$3,873.34 in merchandise and made 1,116.48 in Scholastic dollars. We had great feedback from families about the buy 1 get 1 free sale.

Membership- Liliana was pleased to talk to so many families at the carnival about our PTA and what the membership is doing.

President's Report-

Lisa and Robyn went to the WSPTA convention and accepted the Gold award in family engagement for our PTA Monster Mash Bash and the bronze award for our PTA newsletters.

The last newsletter of the year will include a brag page of all the JC PTA did this year.
